THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

6. VETERINARY TREATMENT AND DESIGNATED TREATMENT AREAS AT FEI EVENTS:

The 2010 FEI Veterinary Regulations include changes in the approach to the procedure for permitting treatments at FEI events, and introduces a requirement that such treatments must take place in designated treatments areas. Designated treatment areas allocated only for this purpose must be provided at events, but certain treatments as specified below may take place elsewhere by agreement with FEI Veterinary Officials (FEI Veterinary Delegates or members of the FEI Veterinary Commission) i.e. in own stables. These changes also reflect the new approach to the FEI List of Equine Prohibited Substances since 5th April 2010 which now contains an exact list of substances that are prohibited under FEI rules.

See: www.feicleansport.org.

Permission to undertake treatments and the location where they take place, is under the control and the authority of the FEI Veterinary Officials present. The following documentation must be completed when permission to treat is required.

Equine Therapeutic Use Exemption (ETUE) Form 1 - Authorization for Emergency Treatment (i.e. involving medication containing Prohibited Substances). This is issued by a FEI Veterinary Official and must also be countersigned by the Ground Jury.

- Treatment generally must take place in allocated designated treatment areas for this purpose unless by special agreement with FEI Veterinary Officials. The only exception to this is a clear emergency, when a retrospective ETUE may be considered, but may not be authorized in all cases

Equine Therapeutic Use Exemption (ETUE) Form 2 - Declaration for administration of altrenogest to mares competing in FEI competitions. This must be submitted before the start of the event. No Ground Jury countersignature is needed.

- Treatment may take place in own stables

Medication Form 3 - Authorization for the use of Medication not on the list of Prohibited Substances (i.e. rehydration fluids and antibiotics).

For permission to administer these substances by injection, naso-gastric tube or nebulisation (i.e. with saline only) it is necessary to complete Medication Form 3. For other administration methods of such substances not on the Prohibited Substances list i.e. in an oral form, this form is not required. The form does not need to be countersigned by the President of the Ground Jury.

- Treatment may be required in the designated treatment areas, but in the case of some treatments i.e. intravenous fluids, or lack of sufficient treatment areas agreement may be made for this to be undertaken in own stables
- Agreed treatment areas are required for the supervised activities of Physical Therapists, but such areas for this activity may be the horses own stable.

An agreed treatment area and supervision is not required for simple treatments such as "Ice", water, cold laser, "magnetic therapies", "heated blankets" etc.

Supervision of all such treatments by FEI Officials may take place directly or by requesting to see a copy of the relevant authorization. No treatments may take place without coming under such control and authority except in the case of a clear emergency, when a retrospective authority may be considered, but may not be issued in all cases.

Notes to Organising Committees

FEI Veterinary delegates are to work with Organizing Committees in advance to ensure that treatment areas are available and fit for purpose. They are also to ensure that stewards are aware of the simple guidance above with regard to when treatments areas and permission forms are required and are not.

Organizing Committees are to also ensure that there are adequately trained stewards who liaise fully with FEI Veterinary Officials to assist with the supervision of treatment areas in order to meet the above criteria. If such stewards are not available the FEI Veterinary officials are to designate individuals that can fulfill such a role. The organizing committee is also responsible for making sure the veterinary officials have an office space with a copy machine close to the FEI stables available to them so as to facilitate the required paperwork process. The FEI Veterinary Delegate is required to make only ETUE 1 available to the Ground Jury. ETUE 1, ETUE 2 and MF 3 are required to be kept by the FEI Veterinary Delegate and referenced in their report to the FEI.

COMPETITIONS

| | | |
|---|---------------------------|------------------|
| TOTAL AMOUNT OF PRIZE MONEY (gross amount) | | 150.000 € |
| Competition No 1 | Individual Classification | 100.000 € |
| Competition No 2 | Team Classification | 50.000 € |

All prize-money and all prizes in kind rewarded instead of prize-money as well as reimbursements will be distributed acc. to FEI-RG Art. 127/128 following the last competition. The scheduled prizes are gross amounts.

The total amount of prize money shown for each competition in the schedule must be distributed. If fewer athletes take part in a competition than the number of prizes indicated in the schedule, the President of the Ground Jury is responsible for recalculating the prize-money to be distributed.

Per competition 25 % of the athletes receive prize-money or prizes in kind rewarded instead of prize-money, however at least 5 athletes will receive a prize. If athletes have to be placed equally, the money value of the prizes in kind (e. g. a car) is divided accordingly.

Settlement of accounts per athlete

Reimbursement of prize-money will be paid out **by bank transfer** per athlete (not per horse resp. per horse owner) within 14 days after the CHIO. For this purpose the NF's are requested to state the bank information (**name of recipient, bank name, bank code, account number, IBAN and BIC codes**) of their athletes together with the online entries. In case the money transaction does not go through due to incorrect or incomplete bank information, the OC reserves the right to charge a lump sum of 80,-€ for any handling fees charged by the bank.

The Organising Committee is authorised to deduct any possible outstanding duties from the payment. Each athlete is obliged to forward the prize-money as well as any reimbursement to the respective horse owner.

Each athlete is requested to check and sign the final account at the accounting office before departure. The horse passports will only be handed out after the accounts have been settled.

Taxation of Foreign Horse Owners, Athletes and Grooms:

According to § 50a - Abs. 4 EStG of the German Tax Rights the OC must detain tax (withholding tax on income earned) from all accounts paid out to foreign horse owners, athletes and grooms. According to a special agreement between the Aachen tax authorities and the Aachen-Laurensberger Rennverein, the total amount of tax payable will be deducted only from 50% of the prize-money by the administration office at the settlement of accounts.

The horse owners and athletes can apply for exemption of these taxes at the Central Federal Office for Finances, if the lawful requirements are met: Bundeszentralamt für Steuern, An der Kuppe 1, 53225 Bonn, Germany, phone: (49) 228-4060, fax: (49) 228-4062661. An exemption of these taxes is only possible if the appropriate certificate is submitted. The documents for the exemption of tax can be downloaded from the website www.bzst.bund.de. Subject to change.
